Trash Collection

The City of Covington requires that all trash be bagged and placed completely inside the provided City- or Rumpke-issued cart or dumpster for collection. Items placed outside the cart or dumpster or in a non-City or Rumpke-issued container will be considered a violation. Large items and extra bags that do not fit in your trash cart require either a large item sticker or a special arrangement with Rumpke.

If you are unable to locate your City-issued or Rumpke-issued trash cart, please call the number listed below immediately. The City of Covington prohibits the use of private receptacles unless they are utilized for the disposal of large items, are marked with a large item sticker, and have a lid. If private receptacles are not utilized for large item storage i.e. extra bags, they will be considered a violation. If you need an additional trash cart, call the number listed below.

Items too large to place inside your provided trash cart like, furniture, appliances, mattresses, excessive bags, loose trash, or yard waste, require a City-issued large item sticker to dispose. Place one sticker on every large item set out for collection that is not contained in a cart. A private receptacle with a lid can be utilized as storage for large items i.e. extra bags. Please call the number listed below for large item disposal stickers.

Mattresses, box springs and upholstered furniture must be wrapped in plastic. Together, one mattress and one box spring are considered one large item. Freon must be properly removed from appliances prior to disposal (see www.rumpke.com for details).

Tenants are responsible for placing trash carts at the curb for collection and removing them from the curb following collection. Trash carts should be placed curbside (no more than 3 feet from the road) by no earlier than 6 pm in the evening before collection day and no later than 6 am on collection day. Empty carts must be removed by noon the following day.

Tenants maybe held responsible for any fees or penalties associated with improper set-out.

Recycling Collection

Recycling is available to residents. Recycling is collected every-other-week on the same day as your trash. The following items can be recycled:

- Plastic bottles and jugs (please flatten and reattach the lid)
- Cartons
- Glass bottles and jars (any color)
- Aluminum and steel cans
- Empty aerosol cans (with lids and tips removed)
- Paperboard (cereal boxes, 12-pack containers, etc.)
- Cardboard (broken down to 3'-by-3' sections)
- A variety of paper products, including:
 - Office paper
 - Newspaper
 - Magazines
 - Junk mail and envelopes (with or without windows)
 - Telephone books
 - Paper grocery bags

Recyclables should be placed in your green City-issued or Rumpke-issued recycling cart. Please place all material in your cart loose. Don't use plastic bags. If you need an additional recycling container, please call the number listed below.
