## IMPORTANT INFORMATION ABOUT THE RESIDENTIAL PARKING PROGRAM

The area addressed in this plan is from the Ohio River south to 8<sup>th</sup> Street, and from the Licking River to the N/S alley between Greenup and Scott. (Map of area may be viewed at [www.covingtonky.com](http://www.covingtonky.com), click Neighborhoods, click Licking Riverside.)

This program is only offered to residents who reside within the boundaries of the program area. Residents who choose not to purchase the Residential Parking Permits will need to comply with on-street signage requirements to avoid being ticketed.

**Residential Parking Permits** will be available to residents of the Licking Riverside neighborhood. (Maximum of two per household.) These passes are valid for one year, renewable annually, and will be coded to each resident/address for police verification purposes.

**Permits MUST be placed in the rear window, driver's side, of the vehicle.**

**Visitor Passes** will be provided with each Residential Parking Permit (one per permit purchased). If these are found to be abused or misused, they may be revoked. There will be a \$25.00 charge for replacement of lost or stolen visitor passes. These will be hang-tag style that **MUST be hooked onto the rear-view mirror of visitor cars while they are parked in the restricted zones.**

**PRIOR TO THE ISSUANCE OF THE PERMIT, A PERMIT FEE of \$25.00 (each) IS REQUIRED.**
