SIDEWALK MAINTENANCE GUIDELINES Public sidewalks in the City have been neglected for too long. By City ordinance, sidewalks always have been and will continue to be the responsibility of the property owner to maintain. The City recently repaired the sidewalks in South Covington and will be repairing sidewalks in the northern section of the City in 2015. To keep improvements moving forward and become self-sustaining and to help ease the burden on residents to find the maintenance of their sidewalks, the City has developed a plan that will allow owners to take advantage of lower rates offered by City contracts, 3 year tax assessments for the cost of the work, and potential grants toward sidewalk replacement based on household income. This plan will commence upon the completion of the sidewalk work in northern Covington.

COMMISSIONERS' ORDINANCE NO. O-30-14

AN ORDINANCE AMENDING COVINGTON CODE OF ORDINANCES § 96.35 TO ESTABLISH SIDEWALK MAINTENANCE GUIDELINES AND ESTABLISHING A LONG-TERM MAINTENANCE PLAN.
