C PARKS AND RECREATION 2022 PROGRAM GUIDE

STAY CONNECTED

Well, hello there!

Having raised four children in Covington, I know that we have fabulous parks, playgrounds, and green spaces. We also have a Parks & Recreation staff that know what to do with those assets. This year, Parks & Rec has created one of the most action-packed program calendars in Covington's history, including:

- The debut of a brand-new soccer league for ages 4-6, the trendy racquet sport called "pickleball", a Jack-O-Lantern Walk, and an outdoor education series.
- The return of old favorites like the Easter Egg Hunt and Devou Park, the Fishing Derby at Prisoners Lake, and the Adult Softball League.
- More outdoor movies, the Urban Hike Series, the annual "dog swim" at Goebel Pool, Shakespeare in the Park, Kentucky Symphony Orchestra concerts.
- And old "standbys", like swimming, playground activities, arts & crafts, hiking and biking.

The Goal this year? Variety and Accessibility.

No matter what your age and interests, there are plenty of good opportunities for fun in #LovTheCov!
