## HEY Y'ALL!

Having raised four children in Covington, I know that we have fabulous parks, playgrounds and green spaces. We also have a Parks & Recreation staff who know how to best use those assets.

This year Parks & Rec has created one of the most action-packed program calendars in Covington's history, including the debut of three events sure to be big hits: The Cov Family Dinner, where families will gather for an evening of cooking a meal to enjoy as one... An Archery program that will introduce youth to the basics of the sport... and an Independence Day Dog Parade for our pet owners. Parks & Rec is also bringing back favorites like Pickleball, the Annual Easter Egg Hunt, appearances by the Kentucky Symphony Orchestra and Shakespearean plays, Pups at the pool, the Jack-O-Lantern Festival and more.

The Goal this year? Variety and accessibility. No matter your age and interests, there are plenty of good opportunities for fun in The COV!
