

CITY OF COVINGTON SPECIAL EVENT PERMIT APPLICATION

Any event (i.e. festival, concert, run/walk, art show, etc.) that uses, or will likely have a large impact on, public or City-owned property, such as streets or parks, requires a Special Event Permit Application. If you're the person or organization hosting or sponsoring an event you'll need to fill this out. This is information that we require in order to ensure that everything goes smoothly and safely.

RULES & PROCEDURES

A complete application, including all fees and attachments, must be submitted to the City Manager's Office **no less than forty five (45) days** from the event date. It is important that you complete this application fully and include any extra attachments that may be necessary. **If not, approval of your application will be delayed or denied.**

Once we receive your application, appropriate fees, and any attachments, City staff will review all the information and make a recommendation of approval or denial to the City Manager. We might also make some changes or give a cost estimate for the use of City equipment and/or services. The City Manager will then approve or deny the application within seven (7) days of the staff recommendations.

For the complete details on rules and processes, including standards for approval and denial or how to appeal a denial, please see Section 93.30, et seq. of the City of Covington Code of Ordinances.

You may request to use outside law enforcement officers, who are qualified to apply sworn law enforcement powers within the city, but still must comply with CPD’s recommendations. The scheduling of all officers must be approved by CPD. Please note, if alcohol is to be sold, served, or consumed during the event on City property, security is required.
