Overview
Executive Order No. 2020-EO-04 signed by Mayor Meyer on March 25, 2020 established the Emergency Rent & Mortgage Business Assistance Program is designed to provide rent subsidy or mortgage assistance to Covington businesses experiencing financial challenges as part of the coronavirus closings in order to retain businesses, jobs, and reduce the risk of commercial vacancies in our community.

The program offers financial assistance in the form of reimbursement of up to half of the business's monthly rent or mortgage payment, or $500.00 per month (whichever is less). Eligibility for assistance is up to four months, or up to $2,000. A business will be eligible starting April 2020.

Eligibility
Applicant must be an existing commercial enterprise and have an existing occupational license with the City. At this time, applicants must be classified within the industry sectors of Accommodation & Food Services (NAICS 72), Retail Trade (NAICS 44-45), or other appropriate sectors as determined by City staff. Applicant must have an active, executed multi-year lease or mortgage for its business enterprise. Businesses must keep regular operating hours that are equal to or greater than thirty (30) hours per week, unless otherwise ordered to close by legal mandate. Applicant must contact and be working with the Kentucky Small Business Development Center (SBDC) on business coaching, contingency planning, accessing federal disaster loans. Finally, applicants cannot currently be receiving a rent subsidy incentive with the City of Covington.

To Apply
Applications are reviewed on a rolling basis. All applications must have the required attachments in order to be considered. The City has limited funding available. Applicants should demonstrate why their business should receive emergency rent subsidy support. Submission of an application is not a guarantee of funding. City staff will evaluate the strength of an application based on the Rating Sheets attached as Exhibit A. Submission of an application is not a guarantee of funding.
