Food Assistance Programs to Respond to the Coronavirus (COVID-19)

The City of Covington received a supplemental allocation to our Community Development Block Grant (CDBG) funds that **must** be used to prevent, prepare for, and respond to the coronavirus (COVID-19). This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was enacted on March 27, 2020, to respond to the growing effects of this public health crisis. The CARES Act will provide Community Development Block Grant Coronavirus (**CDBG-CV**) funds to the City from the U.S. Department of Housing and Urban Development (HUD). The City has initially allocated \$100,000 from these funds for food assistance programs.

The CARES Act eliminates the 15 percent cap on the amount of grant funds that can be used for public service activities; however, all activities must adhere to CDBG guidelines, 24 CFR Section 570.201(e), and shall seek to prioritize the needs of low- and moderate-income persons adversely affected by the coronavirus. CDBG-CV funds must be used for activities that are carried out to prevent, prepare for, and respond to coronavirus.

The City is requesting proposals from non-profits and other eligible entities for participation in CDBG-CV food assistance programs to address food insecurity caused by loss of household income or social distancing/quarantining of at risk populations. Food assistance programs include food banks, food pantries, community kitchens, meal preparation and meal delivery services. Applicants must be non-profit agencies that provide these services.

The City will accept proposals from qualified and experienced entities that provide these types of services. Funds may be used for a variety of food assistance programs, but the assistance must be a quantifiable increase in existing services and must be in response to COVID-19.

CDBG-CV grants will be subject to oversight, reporting, and requirements that each grantee have adequate procedures to prevent the duplication of benefits which means grant funds may not be used to pay costs if another source of financial assistance is available to pay that cost. A duplication of benefits occurs when an entity receives financial assistance from multiple sources for the same purpose, and the total assistance received for that purpose is more than the total need for assistance.

All funds must be used to assist Covington residents **only** and must meet a HUD National Objective by benefitting low to moderate income persons. Food assistance programs serving all Covington residents and neighborhoods meet the HUD Low Mod Area Benefit and would be eligible for funding. Food assistance programs can also be targeted to low to moderate income households directly using the Limited Clientele Benefit which targets a specific group of people, 51% of which are low to moderate income. Applicants must demonstrate how food assistance programs will be directed to Covington residents **only and** what HUD National Objective will be met.

To meet the requirement of benefitting low to moderate income persons, the program must serve beneficiaries that are at least 51% low to moderate income. The following table reflects the current HUD income limits for one to eight person households who earn at or below 80% of the Area Median Income (AMI) for Covington.

2020 HUD Income Guidelines

Persons in Household	Maximum Income
1	\$48,350
2	\$55,250
3	\$62,150
4	\$69,050
5	\$74,600
6	\$80,100
7	\$85,650
8	\$91,150

Entities that are awarded funding will be required to enter into a sub-recipient agreement for the provision of requested services. This agreement will outline the roles and responsibilities of the entity to carry out a CDBG-CV funded program. A sample sub-recipient agreement is attached as Exhibit D. Recipients will also be required to adhere to the Uniform Administrative Requirements for Federal Awards outlined in 24 CFR Part 200. Entities must also be registered in the System for Award Management (SAM.gov) prior to any award of funds.

Recipients of funding will be required to maintain accurate records documenting the prevention of, preparation for, or response to the coronavirus **and** records documenting targeted populations and/or areas being served by the program or project. Recipients will provide quarterly reports to the City demonstrating that the above eligibility requirements are being satisfied. Recipients must collect and track data elements associated with the program funding.

Quick Start Guide for Contract Registrations

Helpful Information

What is an Entity?

In SAM, your company/business/organization is referred to as an "Entity." You register your entity to do business with the U.S. Federal government by completing the registration process in SAM.

SAM is the official **free, government-operated website** – there is NO charge to register or maintain your entity registration record in SAM.

What do I need to get started?

- 1. DUNS Number:** You need a Data Universal Numbering System (DUNS) Number to register your entity in SAM. DUNS Numbers are unique for each physical location you are registering. If you do not have one, request a DUNS number for **free** to do business with the U.S. Federal government by visiting Dun & Bradstreet (D&B) at <http://fedgov.dnb.com/webform>. It takes no more than 1-2 business days to obtain a DUNS Number.
- 2. Taxpayer Identification Number:** You need your entity's Taxpayer ID Number (TIN) and Taxpayer Name (as it appears on your most recent tax return). Foreign entities that do not pay employees within the U.S. do not need to provide a TIN. Your TIN is usually your Employer Identification Number (EIN) assigned by the Internal Revenue Service (IRS). Sole proprietors may use their Social Security Number (SSN) assigned by the Social Security Administration (SSA) as their TIN, but are strongly encouraged to obtain a free EIN from the IRS by visiting: <http://www.irs.gov/Businesses/Small-Businesses-&-Self-Employed/How-to-Apply-for-an-EIN> Allow approximately two weeks before your new EIN is ready for use when registering in SAM.
- 3.** All non-Federal entities must mail an original, signed notarized letter to the Federal Service Desk within 60 days of activation.

Steps for Registering

1. Type www.sam.gov in your Internet browser address bar.
2. Select Log In to complete authentication and create an account.
3. On the My SAM page select Entity Registrations and then select Register New Entity.
4. Select your type of Entity.
5. If you are registering in SAM.gov so you can conduct business with the government through contracts, select "I want to be able to bid on federal contracts or other procurement opportunities. I also want to be able to apply for grants, loans, and other financial assistance programs."
6. Complete the Core Data section:
 - Validate your DUNS Number information.
 - Enter Business Information (TIN, etc.) This page is also where you create your Marketing Partner Identification Number (MPIN). Remember your MPIN as it will serve as your electronic signature for the IRS Consent to Disclosure of Tax Information on the following page.
 - Enter your CAGE Code if you have one. CAGE codes are tied to DUNS Numbers and cannot be reused. Don't worry if you don't have a CAGE Code for the DUNS Number you are registering: one will be assigned to you after your registration is submitted. Foreign registrants must enter their NCAGE Code before proceeding.
 - Enter General Information (business types, organization structure, etc.) about your entity.
 - Provide your entity's Financial Information, i.e. U.S. bank Electronic Funds Transfer (EFT) Information for Federal government payment purposes. Foreign entities do not need to provide EFT information.
 - Answer the Executive Compensation questions.
 - Answer the Proceedings Details questions.
 - Provide your public search authorization.
7. Complete the "Assertions" section:
 - Enter your entity's goods and services using NAICS Codes and PSCs.
 - Enter your entity's size metrics.
 - Enter optional Electronic Data Interchange (EDI) information.
 - Enter optional Disaster Response Information.
8. Complete the Representations & Certifications section, which is comprised of the Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation Supplement (DFARS) provisions/clauses, Architect-Engineer Responses (SF330 Part II), and the Financial Assistance response page.
9. Complete the Points of Contact section: Your Electronic Business POC is integral to the procurement process. Your Government POC will be used by other government systems, such as the CAGE program, when they contact you. List someone with direct knowledge of this registration for both of those POCs.
10. Make sure to select Submit after your final review. You will get a Registration Submitted - Confirmation message on the screen. If you do not see this message, you have not submitted your registration.

Allow up to 12-15 business days after you submit before your registration is active in SAM.

The Subrecipient shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The Grantee shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent contractor.

Such amendments shall not invalidate this Agreement, nor relieve or release the Grantee or Subrecipient from its obligations under this Agreement.

The Grantee may, in its discretion, amend this Agreement to conform with Federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantee and Subrecipient.

By way of further limitations, the Subrecipient may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to the Grantee at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to the Grantee.

2. Indirect Costs

If indirect costs are charged, the Subrecipient will develop an indirect cost allocation plan for determining the appropriate Subrecipient’s share of administrative costs and shall submit such plan to the Grantee for approval, in a form specified by the Grantee.

3. Payment Procedures

The Grantee will pay to the Subrecipient funds available under this Agreement based upon information submitted by the Subrecipient and consistent with any approved budget and Grantee policy concerning payments. With the exception of certain advances, payments will be made for eligible expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. Payments will be adjusted by the Grantee in accordance with advance fund and program income balances available in Subrecipient accounts. In addition, the Grantee reserves the right to liquidate funds available under this contract for costs incurred by the Grantee on behalf of the Subrecipient.

The Subrecipient shall submit regular Progress Reports to the Grantee in the form, content, and frequency as required by the Grantee.

D. Procurement

1. Compliance

The Subrecipient shall comply with current Grantee policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. All program assets (unexpended program income, property, equipment, etc.) shall revert to the Grantee upon termination of this Agreement.

2. OMB Standards

Unless specified otherwise within this agreement, the Subrecipient shall procure all materials, property, or services in accordance with the requirements of 24 CFR 84.40–48.

3. Travel

1. The Subrecipient shall transfer to the Grantee any CDBG funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. For the purpose of this definition, "minority group members" are Afro- Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian- Americans, and American Indians. The Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

3. Access to Records

The Subrecipient shall furnish and cause each of its own subrecipients or subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by the Grantee, HUD or its agent, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.

The Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the Grantee for review upon request.

The Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation or repair work financed in whole or in part with assistance provided under this contract, shall comply with Federal requirements adopted by the Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Subrecipient of its obligation, if any, to require payment of the higher wage. The Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.
