

CITY OF COVINGTON, KENTUCKY
REQUEST FOR QUALIFICATIONS/PROPOSALS

**Development & Guiding a Strategic Planning Process for the Covington Central
Riverfront Strategic Master Plan**

Progress Update #1

March 23, 2018: All of the qualification/proposal packets have been given to the members of the Review and Advisory Panel. The members are rating each of the 11 submissions. Reviewing this many submissions, along with the fact that this time of year is prime Spring Break time and March Madness, it will take a little time for the City Manager to receive all of the scoring sheets.

Mr. Johnston, Covington's City Manager, wants to thank all of the firms that submitted its qualification packets for this important opportunity. He noted that, while reviewing the submissions to see if all of the required items were included, he noticed the high quality of each submission. Thus, the Panel members have a daunting task in rating each proposal. Please be patient.

After the panel rates the submissions, Mr. Johnston envisions that the Panel will invite a few (3-5) firms to come to Covington and make a formal presentation. If the members want any more information from these firms, the firms will be notified in advance of the date of the local presentations.

In the meantime, enjoy the Easter holiday season. The City of Covington will be in touch with each of you shortly.
